The FAIR Plan does not automatically accept binding premium checks. Please refer to Pennsylvania FAIR Plan General Rules-Manual of Procedures for those properties ineligible for immediate coverage.

Upon receipt of a properly completed application accompanied by the appropriate provisional premium, and upon tentative determination by the Plan that the risk is eligible for coverage in the Plan, a one year policy will be issued subject to confirmation of eligibility, insurability and promulgation of final rates. Vacant property or those properties/titleholders involved in bankruptcy proceedings, as well as any other property wherein the FAIR Plan General Rules indicate that an inspection or additional underwriting information may be necessary prior to a decision on acceptance of coverage, are not eligible for immediate coverage

Coverage will become effective at Noon (Eastern Standard Time) on the day that the premium is received in the office of the Plan, unless a subsequent date is requested by the applicant or his/her representative. An application or premium shall be considered received only upon actual delivery on a normal business day and during normal business hours of the FAIR Plan at the office of the Plan. An application or premium which arrives at the office of the Plan on Saturday, Sunday, holiday, and/or after the close of business shall not be considered received until the next normal business day thereafter.

When it is determined, after inspection, that the property is eligible and insurable, the final policy rates will be promulgated and the policy premium will be adjusted from the inception date of the policy. When it is determined, after inspection, that the property is uninsurable due to conditions, the Plan will issue a declination to the insured and his representative. The declination will specify the reason(s) for uninsurability and include a copy of the inspection report. The Plan may, at its discretion, allow a period of time for the correction of the condition(s). Failure to notify the Plan in writing within that period of time of the condition(s) being corrected may result in policy cancellation.

IMPORTANT NOTICE

Inspection(s) made under the Program and any report of the inspection(s) are for property insurance underwriting purposes only. Regardless of whether a policy is issued, the FAIR Plan and any inspection agency which may from time to time be employed or designated by the FAIR Plan to inspect, determine and report the condition of properties will not be liable for any injury or damage claimed to arise from the inspection or any subsequent report of the physical conditions of the premises, from related activities, or from compliance or non-compliance by the property owner or others with the recommendations, if any, contained in such report(s).

An applicant or insured may appeal for reconsideration if insurance is denied or cancelled by the FAIR Plan, within (30) days after the ruling, by submitting the appeal in writing and setting forth the basis for such appeal. If such appeal is denied by the FAIR Plan, it may be further appealed to the Insurance Commissioner within (30) days.
